

**REMARKS**

This paper is supplemental to our filing of February 9, 2004. Due to a typographical error, two claims were numbered 54. With this amendment, please delete the second claim numbered 54 that reads as follows:

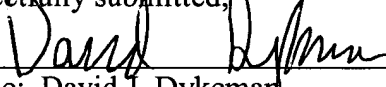

54. The method of claim 53 wherein the plurality of torsional nodes are points of a minimum torsional vibration.

Please delete the above claim.

Applicant submits that all claims are allowable as written and respectfully request early favorable action by the Examiner. If the Examiner believes that a telephone conversation with Applicant's attorney would expedite prosecution of this application, the Examiner is cordially invited to call the undersigned attorney of record.
